CMA Midwest is a fully integrated talent management firm focused on the acquisition, development, engagement, retention, and transition of your most important asset- “your people”.

We help both individuals and organizations in matching, nurturing, and enhancing employee company partnerships toward the highest level of productivity and mutual success.

We understand that employees are the key to an organization’s success, and each organization has different needs, strengths, and challenges. That is why we work with our clients one-on-one to provide customized, strategic solutions throughout all stages of the talent management lifecycle.

CMA Midwest has been selected as one of the Top 25 Recruiting and Consulting Firms by the Kansas City Business Journal 5 years in a row.
